

ISRAEL BIBLICAL STUDY TOUR 2009

Experience the Land of the Bible

Shalom fellow pilgrims,

You are probably reading this brochure because someone close to you told you about their experience in Israel and you are considering a journey there too. We are just as excited as you that you are interested in this biblical study tour.

There are many tours to Israel available to those who are interested in making a pilgrimage. Tours by airlines and travel agencies are typically 'secular in nature' and can be very disappointing to those who desire to deepen their understanding of Israel and their walk with the Lord Jesus Christ. This specific tour is led by us and our close friends in Israel who are Jewish Messianic Believers (Believers in Christ).

This biblical study tour to the Holy Land is very unique in nature. Arie Bar-David is a Messianic Jewish believer who is well known throughout the world for his gift for teaching of the Bible. Though there are many opportunities for him to lead tours, he has committed 3 weeks of his busy year to be with us because he values this specific tour.

Arie has served as a paratrooper commander, played in the Israeli symphony, and worked as a carpenter. Yet his passion is sharing God's Word with those who are hungry. Each sight we visit has spiritual food for us to partake, whether Jerusalem, Galilee or Sinai. We believe that through this tour you will have a deeper understanding of the Bible. "The Bible comes Alive!", is the resounding cry of past participants.

Finally, the cost of this biblical study tour is exclusively made for us. We have a partnership with Arie, and through this partnership we have this exclusive rate available for you. It will be one of the greatest investments you make in your life time.

Ji
