## **Summer 2009 School of Ministry**

### **Housing Option #2**

### *Local Host Family*

**Location:** Nashville area (Davidson or Williamson Counties)

**Cost:** \$1250/person for 8 or 9 weeks

**Details:** We ask each host family to provide the student with his/her own bed and a place to keep his/her clothes. If the student will be sharing a bathroom with other students or family members, it will only be with the same gender.

**Includes at no extra cost:**

- Bed linens, towels, hangers
- Laundry facilities

**Does *Not* Include:**

**Other things to keep in mind about host homes:**

- The current cost of gas in Nashville is \$2/gallon. Several of our host homes are quite a distance from the School of Ministry classroom, so gas will be an expense to consider.
- Most families are only able to host one student. This means that a hosted student will spend a good deal of time away from other students.
- Host families are not required to provide WiFi, Cable, Newspaper or other amenities that a hotel provides.
