

Miracles

(SERMON
SERIES)

LET HIM BE KNOWN

Outcome-Based Objective

We believe that God works miracles today by the power of the Holy Spirit to bless people and advance his kingdom. In 2023, we are believing God for miracles that will testify to his power and create new opportunities for the gospel to advance. The sermon series will focus on the 7 miracles John recounts as signs pointing people to faith in Jesus as the Son of God.

Week	Title	Text	Big Idea
One	Turning water into wine	John 2:1–11	The ultimate purpose of God’s miracles among us is to reveal the glory of the Son of God (v. 11), yet a concomitant secondary purpose is to bless people.
Two	Healing the official’s son	John 4:46–54	God’s miracles are important for spreading the gospel, since some people will not believe in Jesus unless they see signs and wonders (v. 48).
Three	Healing the paralyzed man	John 5:1–15	God sometimes performs miracles to deliver people from the consequences of their sins (v. 14). In essence, this is what God has done in raising Jesus from the dead.
Four	Feeding the 5,000	John 6:5–14	God’s miraculous salvation through Jesus is sufficient to satisfy the needs of all who hunger for God and righteousness, even as his miracle of multiplied fish and bread satisfied the hungry multitude (v. 11).
Five	Walking on water	John 6:16–21	Jesus is sovereign and performs miracles to bring his disciples through the chaos of the current corrupted creation in order that they might fulfill his mission and eventually inherit the new creation (v. 21).
Six	Healing the man born blind	John 9:1–7	God performs miracles in order to display his works which reveal his character, nature, and purpose. He does not perform them on the basis of the worthiness of the recipient, since none are ultimately worthy (v. 3).
Seven	Raising Lazarus from the dead	John 11:1–45	The glory of God will be fully displayed when he raises from the dead all who have trusted in Jesus. This great hope comforts the souls of all who wait on God to fulfill his promises (v. 40).
